FOR FARMERS movement

100 ways *in.*

AN INTRODUCTION TO THE FOR FARMERS MOVEMENT

Someone sent you this. Which means they think you'd want to know that small farms in this country have a Movement behind them, and that there's room in it for you.

Is it really 100 ways? Consider it our goal. 100 ways for you to engage with your farmers and your food. And if you're the farmer, 100 ways to find the support you've earned. We get closer every season.

In 2022, we made six grants to small farmers, funded by $25 gifts. No gala, no foundation. One dollar next to another. We build on that every year.

300 grants

and counting. We add 100+ each year.

All 50 states

Farmer nominations from every one. 26,000+ public votes for farmer projects.

200+ Wish Lists

Some cleared in an afternoon. More than 200 waiting for shoppers.

You can start with these.
